REPORT ON CONTRACTS WITH ARIZONA-BASED COMPANIES

On June 1, 2010, the Board adopted a motion, as recommended by Supervisors Molina and Yaroslavsky, to oppose Arizona's Senate Bill (SB) 1070 related to the enforcement of immigration laws. Subsequently, County departments have refrained from entering new or amended contracts to purchase goods or services from companies based or headquartered in Arizona, except in cases where it were legally impermissible or impractical, or resulted in significant additional costs to the County. Our Office has granted exemptions to the Arizona-based contractors and vendors that meet criteria outlines in a memo dated June 24, 2010.

Attached is the report which contains information on purchase orders, new contracts, and extended contracts that met the criteria for an exemption during the second quarter of 2013. Our Office will continue to report to the Board on any new exemptions made regarding contracts or purchase orders with Arizona-based companies on a quarterly basis, except in the event where no exemptions were made or unless otherwise instructed by the Board.
